

REMARKS

Very thanks for Examination's suggestion and thanks for finding some citations about the present invention, thereby, the applicant may know more information about the invention.

5 Responsive to the objections and rejections made of the Examiner in office action. We have a cancel Claims 1 to 4 and 6, without prejudice or disclaimer of the subject matter thereof. The claims 5, 7 and 8 are remained without any amendment. No new matter is added.

10 If there is any error in the specification, or claims, applicant requests and authorizes Examiner to amend the claims, specification and drawings of the present invention so that they can match the requirement of U. S. Patent. Attentions of Examiner to this matter are greatly appreciated.

15 Since in office action, the claims 5, 7 and 8 are allowed and I have amended the claims according to the suggestions in the office action, it is now believed that the subject Patent Application has been placed in condition for allowance, and such action is respectively requested.

Respectfully submitted.
